Mission to UAE, June 12

A needs assessment mission has been conducted to the National Bureau of Statistics, Abu Dhabi, UAE from 19 to 21 June 2012. Seventeen participants from the National Bureau of Statistics, Abu Dhabi Environment Agency (AED), Abu Dhabi National Oil Company (ADNOC), Abu Dhabi Water & Electricity Company, Dubai Statistics Center (DSC), Dubai Supreme Council for Energy (DSCE), MASDAR and Statistical Center of Abu Dhabi (SCAD). The purpose was to gather information about the different national parties involved in the production of energy data and assess the current situation, in order to plan for future activities that target the improvement of the energy statistics system in the UAE. The mission was part of the activities undergone within the Development Account Project on Strengthening Statistical Capacities of ESCWA member countries in Energy Statistics and Energy Balance.
