Mission to Qatar, March 12

A needs assessment mission was carried out by the United Nations Statistics Division consultant, 4-8 March 2012 to Doha, Qatar. The mission was carried out with representatives from Qatar Petroleum, Qatar General Electricity and Water Corporation, Kahramaa and other companies providing energy data to the Qatar Statistics Authority. The mission was conducted to provide information on the status quo of energy statistics and to sketch the way forward for the needs of Qatar to improve their energy statistics and balance. The mission was part of the activities undergone within the Development Account Project on Strengthening Statistical Capacities of ESCWA member countries in Energy Statistics and Energy Balance.
